Perseverance, Thankfulness, Fellowship, Respect, Courage, Wisdom

Framfield Church of England Primary School Newsletter

22.04.22

Dear Parents and Carers

At Framfield School we are keen that supporting our children's social and emotional development and becoming good citizens is extremely important. Getting involved with charity events and having expert visitors can put their learning into a meaningful context.

Dogs Trust

In the week before the Easter break we had a visit from the Dogs Trust. Following an assembly in which the children learned all about how to safely approach an unknown dog, each class had their own workshop, entitled ' Safety and Senses', 'Dog Detectives' and 'Happy Dog Rules'. The children really enjoyed the visit and I am sure learnt a lot about how to live with our pets in harmony and safety.

Cakes for Apes

Kingfishers cake sale raised a whopping £120 for international animal rescue, a fabulous local charity that supports saving orangutans in Indonesia displaced due to hunting and deforestation. The children have learnt a lot of science and geography during their rainforest work. They have also learnt about the importance of humans protecting the environment.

Learning About The World

The children in Puffins have got off to a really good start this week with their new teachers. They have been learning about the structure of the earth and have made representations using coloured dough. Today they were learning about types of rocks and exploring their properties using magnifying glasses.

ESafety

PARENTAL/CARER WORKSHOP!
'Keeping your child safe online'

* Wednesday 27th April *

7pm - 8pm at Blackboys School Hall

With IT Consultant Mr Andrew Gunn

We are delighted to welcome online safety expert Andrew Gunn to Blackboys to run an informative workshop for parents and carers. Andrew has many years of experience in education and online safety. The evening will be full of tips and know-how for parents and carers wishing to help their children stay safe on the internet. There will be time for questions at the end of the session.

Online Safety

It can be difficult to keep up with the rate at which technology is changing. Often, we find that our children know more than we do. The Federation is running an online safety workshop next week, led by an experience IT consultant, to which all parents are invited.

Poppy Playground

It has been brought to my attention that a number of our younger pupils are playing games associated with an online game 'Poppy Playground'. Advice is, that the game should not be played by children under the age of 8. The game does involve scary images and the idea of children being chased. Whilst some children may be unaffected by this, others may find it unsettling. When children are young, they are not always able to recognise what is real and what is pretend. At school, we will be asking all of the children not to play the game as it is scaring some of them.

Celebrating Success

STARS OF THE WEEK!

Peacocks - Eleanor

Kingfishers - Jack and Isla (y2)

Puffins - Whole of Puffins!

Eagles - Theo and Georgia

PUFFINS	EAGLES
Week 1	Week 1
Mollie	Lorraine
Violet	Bella
Harry. P	Georgia

Mathletics

Gold

Week 1 Jack

Silver

Week 1 Eleanor, Jack, Naomi,

Spelling Shed

1st place

Week 1 Emily. B

2nd place

Week 1 Ethan

3rd place

Week 1 Isobel. B

Wishing you all a lovely weekend.

Kind regards

Lisa Pestell

Headteacher
