assembly Tuesday 15th July
9.05

Art Club presentation
Monday 21 st July 9.05

Leavers' service Tuesday 22nd
July 9.05

Inset Wednesday 23rd July

Framfield News

Week Ending

Friday 11th July

Dear Parents/Carers,
Thank you so much for all your support at recent events including Dress Up and Dance, the amazing Summer Fair, swimming galas and Sports afternoon. Please see reports on some of these events written by the children.

Dress up and Dance 20th June

Framfield School children helped Macmillan cancer charity by dancing their hearts away. There were house dances and group dances that the pupils made up. Many children wore crazy costumes from superhero outfits to 80's gear. They did a cracking warm up, and then each house led a dance including the conga, Men in Black and the Macarena.

Thanks to Mrs Neeter and the School Council the money was counted and £130.95 was raised.

It was a pleasure to see Mrs Byford an ex school governor come back to talk about her association with this charity and support our fundraising event. Olivia

Making Sleps for the parade

On Friday, the 5th of July, a lady came in. Her name was Hazel from Same Sky and she does art with schools and she was amazing. This year, for the Uckfield Big Day Out Parade, we were going to make these home-made hives which people have made for millions of years. Hazel had found a picture of Neolithic cavemen making skeps! First we made a frame out of withy, a type of crop which people use to make baskets and other things. We used the all-famous duct tape on our structure. A lot of it was used. Then after that we got this special fabric called wet-strength tissue paper and we soaked in a glue solution. We put a corner of the square of the cloth on the top of the skep and formed a diamond. Once we had done that we made the bumblebee which would go on top of the skep. of it.
Duncan

Summer fair.

On June the 28th, Framfield had a brilliant summer fair with lots of exciting stalls to grab people's attention, including a big flashy, red fire engine which was brought along by East Sussex Fire Brigade and lots of YUMMY FOOD! At 12:00 a Zumba lady got us all up on our feet dancing away, we did four dances but most of us got tired after the second dance. Over on the field near the trim trail there was a big, fun, bouncy, inflatable river with hills and a slide. The raffles were at the end of the afternoon could we just say THANK YOU to everyone who contributed to a very exciting day. We hope you enjoyed it and had lots of fun!

By Rory

At the Summer Fair there were a lot of very exciting stalls just like the Raffle, an accessory stall, a sweet stall, a bouncy castle, a barbeque and much more. The Raffle was a great success there were so many people who participated and so many people that won lovely prizes. The accessory stall went up in a blast everyone was buying head bands and bracelets some that were even home made. Nearly everybody bought some sweets big or small there were Haribos to sherbet sticks. At the bouncy castle there were so many people wanting to jump run and fall off. Everyone loved it! Also there were a lot of performances from pu-

pils at the school, such as singing Roar , dances and singing frozen.

It was amazing.
Olivia

Sports Day

Last Thursday Framfield got running with sports day. First they split up in to 4 groups and did different activities. and they were tennis ball through, javelin, egg and spoon race and the beam bag shuttle.

Next we did all of the track races there was skipping, obstacle, triple jump and of course running. All of the children enjoyed them selves. Thank you to the adults that helped and supported the children it was very successful.

By Jasmine

Thursday 3rd of July Framfield had a speedy sports day up at the rec 1:00 to 3:00 . it was baking hot for the running but they carried on. The javelin game was flying, the tennis ball throw was zooming past the clouds, the beanbag was speedy, the egg and spoon was cracking. The obstacle game was for the little ones but they looked excited and they were running across the finish line.

Swimming Updates

A couple of weeks ago Framfield school participated in a swimming gala at Goldsmiths leisure centre and we came 3rd out of 5 schools. We won 2 races the 6 person squadron and the year 6 girls 1 length front crawl .overall we did very well!

Adele

UCTC Swimming Gala

Ten swimmers from Eagles took part in a very competitive swimming gala at UCTC

We all swam really well and in the relays we came first in our heats and overall 3rd in the competition

Angus & Rory

Rounders tournament

A team recently took part in the VSA Rounders tournament at Buxted school . Due to great team work they were placed third in their heat.

Well done to all the team.

The Next Big Step

All the year six children in Eagles class are currently preparing for their transition to their secondary schools. We would like to invite you all to a light hearted play about this moving on time in their play entitled The Next Big Step. Please do try and come to one of our performances:

Friday 18th July at 9.15 (pre school children welcome at this performance)

Friday 18th July at 1.45

Monday 21st July at 1.45

All the children in Eagles are taking part in the play
