

We will be growing sunflowers and other flowers and working in our mud kitchen.

We will be spending time in the pond area and during science week we will have visitors linked to our topic.

**Forest School:** Year 1 children are taking part in Term 5. Reception children will take part in a variety of activities in term 6.

### Mathematical Development Reception

- Numbers: counting, writing and recognition.
- Subtraction and addition.
- Doubling, halving and sharing.
- Shape, space and measures: money, position and distance.

### Year 1s

- Place value
- Money
- Measurement: Weight and volume.

## Peacock Class: Term 5 and 6 A Bug's Life

### Literacy Development Continuing with our daily phonics. Phonic screening test for Year 1s.

#### Class Text:

- Billy's Beetle by Mick Inkpen
- Diary of a Worm by Doreen Cronin
- James and the Giant Peach - whole class text.

Poetry with a minibeast theme.

### PE

Our PE sessions are on a Tuesday and Wednesday. This term we are learning bat and ball skills. Could you please make sure your child brings their PE kit in on a Monday. Could all children have a water bottle and a summer hat, which has the child's name in it at school each day. Thank you.

### Topic Learning:

- 'The Ugly Bug Ball' - invitation writing, mask making, 'bug food', dance and song.
- Clay minibeasts.
- Going on a bug hunt.
- Life cycle of the butterfly - observing caterpillars.
- Using the pond to investigate the wildlife.
- We will be focusing on different minibeasts - finding out facts and information about them.
