

## Kingfishers Home Learning. Term 1/2 2017.

### Victorians / Food Glorious Food.

Next term we are starting our new topic. Please complete at least 2 items on the grid to do in your homework books before Christmas. Remember that daily reading, spelling and maths activities take priority.

1.

Draw and label a picture showing the four seasons, or choose one season and draw a picture to show the things that happen in that season (changes in nature, any festivals etc).

2.

Draw a diagram to show the contents of a healthy lunch box. Label the different foods.  
Challenge - which are the foods that it is very important to eat lots of?

3.

Write a short story based on a traditional tale including a good main character and a baddy of your choice! Will it have a happy or sad ending?

4.

Either write an 'acrostic' poem using the name of a fruit or a vegetable. (See weblink below for an example).  
Or draw a picture of a fruit or vegetable and write a 3-5 adjectives to describe it (e.g. orange - juicy, round, sweet).

Draw a picture and write 3 facts or a short paragraph about the life of Queen Victoria.

Choose a toy from Victorian times (see website). Draw and label a picture of it.  
Write a few sentences explaining who would have played with it and how it would be played with.

Draw and label a picture of a working child from Victorian times (for example, a chimney sweep). Show what they would have worn and carried. Write a few sentences about what life would have been like for them.

Once we are nearer to Christmas, design your own Victorian Christmas card showing a typical Victorian Christmas scene (such as a Christmas tree, candles, presents, carol singers, a church).
