

## Home Learning Menu Spring

Please complete one task per week and bring your home learning book in to school every Tuesday please.

Which continent would I need to visit to: Climb Mount Everest? To journey down the longest river? To get to the South Pole? To float on extremely salty water? Go to the largest coral reef? Find a table big enough for a 2000m giant to eat at?!	Draw and label a map of the continents and label them include the oceans on your map too.	Create a factfile on Tibet.	Research the different types of music, food and religions from some of our worlds' continents.
Create the continents out of playdoh or spaghetti learning their names and where they are situated on a map.	Name 5 animals from each of the continents and find out facts about each one. Present them in your book.	Create an illustrated map of each continent with images depicting what they are most famous for.	Which continent has the largest population? Find out and put the information into a graph. <a href="http://www.ecology.com/world-population-continent/">http://www.ecology.com/world-population-continent/</a>
Who is the Dalai Lama?	Create a collage of images from different places you have visited. Which continents have you visited?	You have been given 6 months (off school) to travel. Where will you go, how long will you stay for etc draw up an itinerary.	Information leaflet all about Yaks.
Create a newspaper article about the refugee crisis.	<b>Write a poem entitled 'Our World'</b>	If you could campaign to stop an issue in our world, what would it be and why?	Who was Charles Darwin?
