

Home Learning Tasks: try to complete one from each row per week and bring in to school on a Tuesday.

**Y6 needn't complete any tasks from the menu, but should concentrate on SATs preparation for term 5.**

|                                                                                                                                                           |                                                                                                                                                                                                                                                              |                                                                                                                           |                                                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| Describe what the conditions were like in a Victorian prison. You could write it as a diary extract?                                                      | Write a biography of Charles Darwin any other famous Victorian scientist.                                                                                                                                                                                    | Retell the story of a famous local smuggler. You could make a cartoon or what about a news article?                       | Make instructions for how to be a successful smuggler. Draw diagrams of your equipment, tools etc. |
| Make a set of Top Trumps using fossils and evolutionary artefacts. Eg: different fossils, skeletons and discoveries?                                      | Make a 'fossil' using plasticine, modelling clay or plaster of Paris. Check out this website for some tips:<br><a href="https://www.bbc.co.uk/cbeebies/makes/presenters-making-a-fossil">https://www.bbc.co.uk/cbeebies/makes/presenters-making-a-fossil</a> | Research the theory of Evolution. Make a power point presentation or poster illustrating the story of Darwin's discovery. | Design a Victorian board game. Add facts, illustrations and don't forget the counters!             |
| Create a Victorian style landscape picture perhaps of smugglers on the coast. You may choose which media you use - paint, water colours, perhaps collage? | Build a model of a Victorian building. It could be a house, school or a workhouse. Add some furniture and other details. You could use Lego, modelling clay or whatever you want.                                                                            | Write your own smugglers song and compose music to go with it. You could perform it to the class or record it!            | Make some Victorian food. You could cook a meal and take photos or bring something in to share?    |
| Create maths problems using Victorian objects or food, and with imperial measures and money etc.                                                          | <b>Plan a holiday visiting all of the countries in the British Empire (as it was in the Victorian era). Cost it as if you were travelling in 2018.</b>                                                                                                       | Write a Victorian recipe for something exotic. Use imperial measurements. Decorate your recipe!                           | Go on BBC Dance mat to practise your keyboard skills.                                              |
