

# Christmas Has Started

---

Have you noticed the Christmas trees?  
The mistletoe and the holly wreaths?  
Coloured lanterns for all to see?  
It's so pretty along our street.

**Christmas has started,  
Presents and parties,  
Music and dancing into the night.  
Singing and laughter,  
Raising the rafters,  
Have yourselves a wonderful time!**

Have you heard all the Christmas songs?  
The choirs and carols and church ding-dongs?  
Festive favourites from ages gone?  
It's so lovely to sing along.

**Christmas has started,  
Presents and parties,  
Music and dancing into the night.  
Singing and laughter,  
Raising the rafters,  
Have yourselves a wonderful time!**

Have you tasted the Christmas food?  
The deep mince pies and the figgy pud?  
Sweet satsumas and chestnuts too?  
Turkey dinner for me and you?

Presents and parties,  
Music and dancing into the night.  
Singing and laughter,  
Raising the rafters,

Have you put on your Christmas hat?  
Then pulled a cracker and said 'How's that?'  
Played with presents that you've unwrapped,  
Watched the telly and had a nap?
