## News

Week Ending

5th June 2015

Dear Parents and Carers,  
Welcome back to the last term of this academic year! We are looking forward to a very busy term 6 and, as you are aware, we have a new parentmail PMX system and in order to make sure you keep in touch with all our activities, it is essential that you verify the email that has been sent to you -otherwise you will not be able to receive all school correspondence .

Please check the dates for the diary.

### Special Events

Science week next week: Thank you to all of you that have contributed to resources already. We would really appreciate donations from all pupils towards the resources enabling the students to benefit from this science week experience.

Please note that Puffins Assembly will now be on Thursday 25th June at 2.30 as we will have a special science- based assembly on Thursday 11th June at 2:30

### School Uniform—

Can you please ensure your children's school clothing is named in order to help reduce the number of lost property items. We would also appreciate it if you would check that your child has the correct clothing and is not wearing that of another child's! It has happened on more than one occasion!

### PTFA News

A big 'thank you' for the huge amount of money raised at 'Race Night'. We are now able to donate £4,000 to go towards new computing equipment including laptops.

Thank you also for your contributions towards the Cake Sale and the Sweet Tombola at Framfield Market. The events raised £45.55 and £23.50 respectively.

We shall be holding another Film Night on Friday, 12th June—look out for further details.

If you are able to help out at the Summer Fayre on 4th July, please do let one of us know. PTFA

## Sporting News

### FAB Football

"Last term we went to St Michaels Primary School and with the other two schools we played a mini tournament. The teams were mixed year 5 and 6 plus my brother Jack year 3. The first game we played we won ( 2-0 ) however the second match we came from two nil down to win 3-2. Overall we finished winners."

Rory Barraclough.

### Hockey at UCTC

"Last term we went to UCTC on a Tuesday after school to take part in training in preparation for a tournament at the end of term. We learnt lots of new drills and played games such as Sharks to learn ball control. In the tournament we came third place and we scored lots of goals and we cant wait to play more hockey."

Florence Jeary Terry

### Uckfield schools swimming gala

On wednesday 3rd June Framfield took part in the swimming gala. The team, Adele, Duncan, Rory, Haydn, Elmira, Emma, Jack and Olivia did extremely well and came 4th overall. We came 1st in three races Duncan boys breast-stroke, girls relay and Adele in the backstroke who set a new Uckfield schools record.

## Pupils Voice

### UCTC Rocket Day.

"Olivia (May), Rory and I went to UCTC for an exciting Rocket making day. We had the chance to go to the science lab to make lots of different rockets we made the Air Rockets first.

These shot down the string line when the air escaped. We then made Water Rockets in the playground these went quite fast but the best rocket was the Chip Cup Rocket, when these rockets set off they exploded in the air.

I cant wait to do science at UCTC."

Jack Saunders

### France Trip

"It was an early start, we left at 6 am in the morning on the coach to catch the 0930 Euro Tunnel to France. Mr Sullivan was very funny with his ongoing 'bing bong' before he spoke on the microphone. The Aquarium was festinating, we even had the chance to stroke a Stingray!. We then went to see the sharks pool these were epic. We had lunch on the beach before heading to the Hypermarket. I bought fresh prawns; they were delicious, however Mrs Tsapparelli said they would stink and I had to put them in the baggage hold under the coach. We had a great day. I would love to go again for more prawns."

Emma Britt

## Play Leaders Course.

"Emma and I went to UCTC to learn how to teach children games they can play together. A number of children came from other schools we were put into working groups and lead by a Year 10 pupil from UCTC. Our group was lead by Hannah she taught us lots of different games and how to change them with one object. We had a great day and next week we cant wait to show the children in our school lots of new games."

Freya Jeffery

### Maths Master Class and Quiz

"Olivia (May) Rory and I went to a master class held at UCTC. There were eleven schools and at the end of the three weeks master classes we had a Maths Quiz. Even though we were a person down we came third. We now know more about algebra and the 'nth' term."

Duncan Paterson

### Brighton Treat Day.

"As a class we collect 20 Puffin Points, we were given the opportunity to have a fun filled day. We had lots of activities to do such as painting, outside adventures, chill out drink zone as well as a Beach Puppet Show. I thought the puppet show was the best part."

Pippin Day

## Effort Awards

15th May - 5th June 2015

### Peacocks

Emma Hasting

For fantastic reading to a group linked to our topic  
Daisy Holland  
For producing an amazing piece of writing.

### Kingfishers
