5<sup>th</sup> September 2014

Dear Parents and Carers

Welcome back after the summer holidays! The children are full of what they have been doing and have shared some great stories with us already! We hope you have all had a good time and enjoyed some fine weather somewhere.

We have many exciting events and activities planned for this year and further details of these and the focuses for this term will be found in the class newsletter.

### Teaching and Learning

We are working hard to adapt to the demands of the government's new curriculum and yet not lose sight of what makes teaching and learning in our school individual. With this in mind, we have worked together as staff and governors on something we are calling the "Corr! Curriculum". As the name implies, we are looking to ensure that all the skills and knowledge our pupils need are taught through exciting and innovative topics and teaching. To supplement this and with pupil engagement always as a focus, we would like to develop a list of 101 things that we would like every child who attends Framfield school to experience by the time they leave. Staff have come up with 87 so far and this is where we need your help! Is there something you feel all children should experience at least once before leaving primary school? It could be something as simple as making mud-pies, or more demanding such as singing in public. We want to incorporate your ideas! So if you have an idea, please jot it down and put it in the box that will be outside the school office, as soon as possible. The children are also hard at work thinking too. We are determined to make your child's time in our school memorable!

### Staffing news:

A special welcome to all our new children in Peacocks class and also a warm welcome to Mrs Nicky Kent who is now teaching in Peacocks class.

Miss Pemberton, now Mrs Bouzon, had a wonderful wedding but sadly has since sustained a nasty facial injury and is unable to return to school at the moment. We

Head of School: Jacqueline Davies

are in daily contact with her and we are fortunate enough to have an experienced teacher Mrs Annie Rogers covering Kingfishers class currently.

### Reminders:

Apart from Kingfishers class, all the teachers will hold short curriculum parent meetings next week at 2.40 in the classrooms. If you are unable to attend, the overview of the curriculum will be sent out next Friday.

Peacocks Tuesday

Eagles Wednesday

Puffins Thursday

Kingfishers will hold their meeting as soon as Mrs Bouzon returns.

Our wonderful PTA have organized a coffee morning from 9 in the hall on Wednesday; this is a good chance to get to meet up with new parents and have a natter, meet old friends and make new ones.

Are you a wonderful baker? Put the Bake Off contestants to shame and bring in cakes to sell at the Dragon Boat races at Bawl Water next Saturday. We need all the sponsors possible for our team to raise money for the School/Gov fund to support the maintenance of our school building. All your wonderful contributions will be sold in a great cause.

Just to remind you that should you have any queries about anything, please discuss them with your child's class teacher in the first instance; should you feel that further action is needed, then make an appointment at the office to see Mrs Davies. Mrs. King is available should you wish to share any further concerns. Of course any urgent issues will be addressed as quickly as possible if a message is left in the office or with Mrs. Duncan at the kiss and drop gate.

I know you join us in welcoming Mrs. Rogers and of course in wishing Mrs. Bouzon a speedy recovery - I know she is upset to be missing the start of term and is very keen to return to school as soon as possible.

Yours,

Jonquil King and Jacqueline Davies
