Wednesday 2nd September

INSET Day

Thursday, 3rd September

First Day of Term 6

Monday 2nd November

INSET Day

Please ensure your child returns all school library books by the end of term.

Thank you.

Framfield
News
Week Ending

17th July 2015

Dear Parents and Carers,

It seems hard to believe that we are coming to the end of another successful school year. The classrooms are starting to be cleared and prepared for more exciting and fun learning with our new classes in September. We are all very proud of how well all the children have done this year, especially in the year 6 SATS. We wish our Super Sixes every success for the future as they move on to their new schools.

We have said another goodbye and good luck to Mrs Clarke and we look forward to hearing about the next addition to the family. We wish them every happiness and will welcome Mrs Clarke back in February.

Holiday learning

As in previous years we start our new school term with a focus on Magical Marvellous Me. In preparation for this we would like all the children to make a holiday box, a small cardboard shoe box as a special collection of reminders of places or events from the holiday. The children may like to decorate the box

and could collect objects like a post-card, a shell, a leaf. Please could we ask there are no more than 5 objects which are small enough to fit in the box. The box needs to be in school on the first day of term, Thursday 3rd September. We would expect the KS2 children to write at least a paragraph about each object and would encourage any younger children to write any captions or labels as well.

We hope many of the children will read every day of the holiday and take part in the library reading challenge.

There will be mathematics and other maths tasks set by teachers for the holidays.

Please rest assured we are aware that the children do need a good rest but six long weeks without keeping up to speed with number facts, multiplication tables, spellings, writing and reading can be detrimental when the child returns to school in September.

Puffins visit to Uckfield Safety Day
We went with Blackboys to Uckfield Safety Day. There were 12 activities. My favourite activity was when we did a speed limit challenge; we had to run as fast as we could so the speed camera could tell us how fast we went. On another challenge we had to have a tablet and drive a car while the passengers were making lots of noise. We all enjoyed it and we won some car seats!

Sporting News

Badminton Festival

Jack wrote: On Tuesday 7th July after our Taster Day at UCTC Rory, Adele, Olivia and I went to Uckfield leisure centre sports hall. We had some coaching and then played 4 games of badminton. When they added up all our scores our Framfield team came first!

Rory wrote: Brilliant Badminton We all started with some practice and getting to know the rules. We changed around activities, had four warm ups and then played 1v1 against a player from each school.

Sports Day

As you are aware we have been awarded the Sainsburys School Games Bronze award. With this in mind and the greater emphasis on children being involved in more competitive sports we changed the format of Sports Day this year. In lessons both with Mark Potter, our sports coach and the teaching staff, children were prepared for the races and encouraged to consider and develop the values of self belief, honesty, teamwork, respect, determination and passion.

Morris: I think it was a good fun day for everyone. Ash won for the first time ever!

Wanesa: I liked the running race. I came first. I liked my sticker.

Cooper: My favourite thing was the running race and we had lots of fun doing the sack race.

Harry F: It was a fun sunny day. There were lots of great races.

Otto: I liked seeing the older children

jumping over the massive posts

Sadie: I waved to Grandma and Dad when I ran past them.

Uckfield Big Day Out

Elmira wrote: Last weekend Uckfield had a breath taking festival. The theme this year was what you could find in a country garden. There was a group called Spiritus from UCTC who had some amazing models. We made giant snails with the Same Sky company thanks to a generous donation from the PTFA. We started at UCTC field and walked down the High Street and finished at Luxford Field. So many schools contributed which really made the day come to life.

Thanks to all the parents who supported this event and you can see a video of the procession on the Uckfield news website, look out for the giant pink and green snails.

Uckfield Grand Prix

Adele wrote: On Sunday 19 different schools took part in the kit car races. We built our car with Mr Wheeler and designed it with Mrs Neal. We called it the Framfield Super Sixes. We came 2nd in both our heats but another car bumped in to me and my car stopped. We came 7th overall.

Thanks to everyone for all your support with this event especially several members of the Saunders family with transporting the car and organizing the team kit. A huge thanks also to Mrs Britt for setting up the new PTFA gazebo which at times was a welcome cover from the rain rather than the sun!

KS1 Visit to Lewes Railway land

This very successful trip, organised by Mrs Tsapparelli was enjoyed by all the children in both Peacocks and Kingfishers classes.

Imogen said: We did some activities, a wild art project, had sticky boards and a minibeast hunt. I really liked the day because I also saw a beehive. Gus: There was a big tower with a man on it and he showed us an underwater camera in the water. We saw lots of fish.

Safety in Action for Year Six at Herstmonceux Castle

On Tuesday, 3rd July the Year 6 children went to Herstmonceux Castle for 'Safety In Action'. The first "challenge" was we had to walk along a long grass verge and then coming out of a forest was a couple. "Excuse me," they said, "can you help us find our dog?" We replied "I'm sorry, we aren't allowed to help strangers." After we had got over that obstacle a police-woman came over and explained what we did right/wrong. Our next activities were Farm Safety, Railway Safety, Natural Safety and First Aid. After this we did Water Safety where we discussed the beach flags and what to do if someone was drowning. There was also Electrical Safety, Fire Safety, Road Safety and Alcohol Safety. Unluckily we only got 4 points off the total score as we all got ran over! We found out we won the whole event and were presented with a special certificate and £200 for the school. You can

see more about this on the Uckfield News website.

Leavers Assembly

All welcome to the final assembly Tuesday 21st at 9.05 in the Memorial Hall. Reserved seating will be at the front for families of our year six leavers. This is an opportunity to look back and also to reflect on their achievements as well as wishing them every success for the future.
