Class Teachers will inform you of any additional learning events as they arise.

Framfield

News

Week Ending

19th September 2014

Dear Parents and Carers,
It's great to see all the children back in school and are very motivated and enthusiastic about their learning.

We are pleased to see Mrs Kent and all the new Reception children have settled in very well in Peacocks class. We are delighted to say that Mrs Bouzon is continuing to make a good recovery and has been in to meet the children. We will inform you as soon as we know when she is able to return to school. We are extremely grateful to Mrs Annie Rogers who is continuing to teach in Kingfishers Class.

INSET Days

Please note that the school will be closed on Monday, 3rd November and Monday, 5th January for staff training.

Corr! Curriculum—hopefully you have now seen the letter about this .

Dragon Boat Races at Bewl Water
Last Saturday a fantastic team of Super heroes , the Framfield Fliers, took part in the annual Fundraisers dragon boat races at Bewl Water. This was a great team effort by parents, governors , families and friends of the school to help raise much needed funds for the governors building fund. It was a real fun family day and thanks to everyone who either rowed, came along and supported the team . A special thank you to the cake makers as there were many comments about the high quality cakes on our stall. Just a reminder if you haven't yet paid in your sponsor money please do so as soon as possible. Jasmine said "My Mum did the drumming and my brother did the rowing". Haydn said" We went to see my Dad race, and we came 12th" (There were over 50 teams taking part, so well done Framfield Fliers").

European Day of Languages / Macmillan Coffee Morning

At Framfield next Friday , 26th September we will be marking both these events. In classes, the children will be getting a day of being introduced to different languages including French, German, Italian, Spanish, Polish and Greek. In KS2, the children will be finding out more about the origins of some words and getting a taster Latin lesson from Mr King.

We would like to invite you to a tea and coffee afternoon in the hall from 2.30. This special café will be to raise funds for Macmillan Cancer Support. Please can you help us by providing any cakes, biscuits and savoury snacks that we can serve at the café. We hope to do some cooking in school but would really like to

have an international theme to the products on sale , for example perhaps with your child you could make some French style pastries, gingerbread, Greek sweets etc. The café will be run by the year six children from 2.30 for all parents, friends and families. Children will then be invited to go along after school to buy cakes etc. Mrs Neeter has offered to help run this event but if you are able to help her out with tea making etc that would be great.

House Colours

Please make sure you know which house your children are supporting as we are now in family based houses.

Hopefully this will make it easier for you to support at competitive events throughout the year. If you have any queries over which house your child is in please do ask us, these are the house colours.

Ash -yellow
Beech—red
Chestnut—blue
Oak- green

Harvest Festival Friday 3rd October at Framfield church 9am

In our classes and assemblies and singing practice we are preparing for our Harvest festival. We would like you to bring your child, in smart school uniform, directly to the church on this date and you are invited to stay and participate in our service.

We have been asked again if we can support the local Uckfield Food bank as they are in need of certain food items. Your child will bring home a suggestions shopping list from the organization and if you are able to contribute please give to your child to present during the service.

Puffins class will not have swimming on this day . If you are unable to drop your child off at church please could you ensure they are at school at 8.45 to walk down the road with any children who will be at breakfast club that morning.

We have many events coming up this term including various class visits and further details will follow. Please do check the dates page and regularly look at our website for updates

House Captains

Last week the year 6 children were given the chance to write a letter of application and make a presentation to their houses as to why they justified being elected as a house captain.

This is a position of responsibility and despite the low numbers in this particular cohort not just an automatic right.

In all the house meetings teachers commented on how well the children spoke and following voting these children have been elected for terms 1.2 and 3

Ash yellow Rory
Beech red, Jasmine
Chestnut blue Jack
Oak green Adele

Duncan and Olivia will be in position from February half term .

Effort Awards 12th September

Peacocks

For all Reception children for settling into Peacocks Class so well.

Well done to Ella, Sadie, Jude and Otto for being such helpful Super Peacocks and being good role models to the new children

Kingfishers

Elena Neeter for great working as a 'Kingfisher'.

Puffins

Jack Barraclough for consistently working hard in Puffins Class.

Eagles

Emma Britt for settling into Eagles Class so well and for having a good attitude to work.
