We do appreciate all your support and involvement with all our different activities.

Sports Day

We are all looking forward to our Sports Day which takes place on 1st July. Mrs Kent would be grateful for offers of help assisting with sitting with the children and getting them ready for their races. Please see Mrs Kent if you can help out.

End of Year Celebration Assembly

We invite you to our special assembly which takes place on our last day at 9am. We will be recognising the chil-

Branching Out

"We went to **Branching Out** with Blackboys. It was a fun and challenging day. There was a giant swing and climbing wall. The ropes were hard to complete as the obstacles were moving in the wind!" Trinity Y3 and Oliver Y4

Join this year's Summer Reading Challenge at your local library

This year we're delighted to announce that The Reading Agency Summer Reading Challenge theme is The Big Friendly Read. It will begin in libraries on Saturday 16th July and end on Saturday 10th September.

Research shows that reading for pleasure is vital for children's life chances, and that children who use libraries are twice as likely to be above average readers. The Summer Reading Challenge builds confidence and independent reading, while preventing the dip in children's literacy levels during the long break from school. It encourages them to develop the habit of reading for pleasure, one of the aims of the National Curriculum for English.

The Summer Reading Challenge is a unique partnership between The Reading Agency and public libraries across the UK and last year over 800,000 children took part.

Encourage your children to have fun with reading this summer by taking part in the annual Summer Reading Challenge at any East Sussex county public library.

The Challenge is to read six books during the summer that have been borrowed from the library and are appropriate for each child's reading ability. The Challenge is aimed at children in the four to eleven age group. If your child is not reading on his/ her own yet they can still take part by sharing their books with you or by using audio books.

To take part in this national scheme, children need to have their own library card. It is easy and free to become a member of the library. Take something with your name, address and signature on it (a driving licence is ideal as it has all of these) to the library and you can join the whole family.

Children signing up for the challenge get a Big Friendly Read sticker. Children will be able to collect a prize for each of the six books they have read. When they finish the Challenge they will get a certificate which they can receive in school or at the library.

You can find out more about the challenge at: <http://summerreadingchallenge.org.uk/> or by asking in the library or visiting www.eastsussex.gov.uk/libraries
