### Dodgeball Tournament

"We hosted a dodgeball tournament. East Hoathly and Laughton schools came along. We did really well and it was a lot of fun. We are going to be in the Ringmer Alliance final next term." *Adele Tidy*

Football Tournament "A team from Framfield and Blackboys went to a football tournament. We got into the semi-final, then the final. We did brilliantly and came 2nd. We all got a medal. Thank you to Mr Sullivan for organising it." *Rory Barraclough*

I

ag Rugby Teams from both Framfield and Blackboys have enjoyed coaching sessions in tag rugby at UCTC led by UCTC PE students. There have been sessions for Years 3 and 4 and for Years 5 and 6. These led into fiercely competitive tournaments. The 3/4 FAB teams came 4th and overall the 5/6 FAB teams came 5th out of 11 local primary schools. Both are excellent results; well done to all the children involved in these events.

### Friston Forest

Kingfishers and Class 2 from Blackboys had a brilliant day at Friston Forest last week.

'It was amazing because we got to go in the woods and climb over all of the logs." *Archie Bradford*

"It was great fun. I liked finding Stick Man in the woods." *Elena Neeter*

"We went to Friston Forest and we pretended to be badgers. It was fun." *Amelia Iordachescu*

### Drusillas

Peacocks and Class 1 from Blackboys went to Drusilla.

"I touched a snake and a fat tailed gerbil. We also dressed up like African people. I liked touching the snake best because I liked its pattern." *Daisy Holland*

### River Cuckmere

Eagles and Class 4 from Blackboys went on a trip to Exceat to study the journey of the River Cuckmere.

"Going to the River Cuckmere was a valuable experience. Eagles Class learnt a lot. We are very pleased that we were given the opportunity. Thank you to our tour guides." *Olivia Burgess*

### Survival Day

"We really enjoyed Survival Day because we learnt things that we didn't know. We enjoyed the big challenge at the end because we could use all the skills that we had learnt, together with our team. We are very thankful for Jim Hastings and Carl Wickens for sending in the videos—they were very helpful and enjoyable." *Evie Jarrett and Lucy Bagguley*

### Science Dome

"On 26th March a science dome came in. A man called Neil led it. There was a special projector in the dome that showed us pictures and clips of natural disasters. We learnt more facts than ever and we would like to say thank you to Neil, the PTFA and parents who helped pay for it." *Puffins Class*
