We celebrated Red Nose Day by selling some delicious

smoothies and raising £57 for this worthwhile cause. Special thanks must go Mrs Jeffery, Mrs Lewis and Mrs Denny who made and sold the smoothies.

Blast Science

"Blast science was the best day ever. Lydia from Blast Science said there were not enough women scientists and engineers. I now want to be a scientist or engineer when I grow up."

By Margot Rabson Stark.

The KS1 sessions with the **Community Chef** on Tuesday were a great success and the children enjoyed sampling the smoothies and stir fry and they made an apple crumble which they took home. As you can see from the photo, the children thoroughly enjoyed these hands-on sessions.

KS2 will have their sessions on the first day of next term—18th April and the parental workshop is on Tuesday 25th April, 2-3pm. Places are limited so please sign up in the school reception.

Eagles Class have been busy—the trip to the **Cuckmere Haven** was very informative and they learnt about the course of the river and the effect of the tidal stream. They have also been to Buxted CE School to hear **author Christopher Edge** talk about his book The Many Worlds of Albie Bright which has been nominated for the East Sussex Book Award.
