Friday the 30th June 2017

Dear Parents, Carers and Students,

On Thursday the 6th of July, the people from 'Mombasa Mission' will come to our school and we would like every student to bring at least 10p on this day.

Mombasa Mission is a group of English-originated people (James & Elsie Gudgeon) that moved to Mombasa in 2014 to help the people of Mombasa, by building homes, churches, water-filling stations and more. So far they have: purchased in the land of Mwangulu area; built a water tank; Built churches; Water tower built; House built (finished in March 2017); Borehole dug for water supply.

Earlier this year, Tom Gudgeon (an English resident of the group) came in to talk to the school and hopefully the 10p that you bring in could help make more houses, churches and more.

Many thanks,

The Framfield School Council,
