FRAMFIELD HEALTHY LIVING RAINBOW

Framfield
News

Week Ending
16th June 2017

Pippin's winning lunch box.

We enjoyed dressing up in the colours of the food rainbow and the Phunky Foods assembly.

Dear Parents/Carers

As predicted it is a busy final term!

Our healthy living week last week was a great success and we must thank Miss Stevens and Mrs Sullivan at Blackboys for all their hard work in the organisation.

Congratulations to Trinity Hawkins who won the healthy living poster competition and to Pippin Day who won the healthy lunchbox competition.

We also launched **Beat the Street**, a fun, free 7 week challenge to get everyone moving. We are counting on you and your families to clock up lots of points on behalf of Framfield School! There is going to be a Beat the Street Assembly on Thursday 22nd June.

PTFA SUMMER FAIR

Our Summer Fair takes place **this Saturday 11am—2pm**. It promises to be a fun-filled event with lots of different activities and stalls, with fabulous prizes to be won. We look forward to seeing you there!

TEA PARTY

We are having a tea party to say farewell to Mrs King on **Wednesday**

19th July at 2pm-3pm. Please do try and join us for this special occasion— all children will be involved.

French Trip

The Federation trip to France went extremely well. Thank you to Mr Sullivan for yet again organising an amazing outing for our children.

Trip to Historical Brighton

Puffins class went on a trip to Brighton. We went on a coach with Blackboys Class 3. We had a tour guide called Silus he told us Ghost stories. Every time we stopped at a famous place Silus told us a ghost story about it and its backstory. Some of them had an activity to do with them— when we visited Sister Agatha we felt a cold breeze and hands on our face. Next we had lunch on the beach we all had a fun time. After that we went on the I360 and it was very cool. We saw everything in Brighton. At the end there was a gift shop and cafe. We also saw a museum of the build up of the I360. There was a clip of the I360 and we watched it, it was very interesting. It is 162 metres high and is sponsored by British Airways. By Elena Neeter

Chichester Cathedral

As our Year 6 pupils come to the end of their time at Primary school, Mrs Davies and Mr Sullivan were delighted to have the opportunity to take them on a pilgrimage role play and tour of Chichester Cathedral.

Sal's Shoes is a volunteer-run charity which collects outgrown children's shoes and distributes them to those desperately in need around the world, including the UK. For some this may be their first ever pair of shoes. We would like to support this charity by collecting as many pairs of shoes which no longer fit our children. We plan to do this on the last day of term. Details will follow!

A huge **CONGRATULATIONS** to all the staff at Framfield Pre-school for achieving a well deserved **OUTSTANDING** at their recent OFSTED inspection.
