19<sup>th</sup> July 2017

Dear Parent/Carer

You should all have received notice of the planning application with regards to the school roof: we have been struggling with leaks and problems for some years and have finally secured resources and permissions for repairs this year.

We have cleared the permissions with the Parish Council and all other authorities and will be going ahead with repairs over the summer months. We realize that this will involve some noise, but hope that any disruption will be kept to a minimum.

- Scaffolding will be going up on **24th July** and it is hoped that, weather permitting, the site should be cleared by **4th September** at the latest. Contractors will be using our playground gates to avoid traffic congestion.
- During weekdays work will start at **7.30am** and continue through to **6pm**.
- We have ensured that there is **no work taking place on a Sunday** and **Saturdays will start at 8am and finish at 2pm**.
- We have requested that contractors use the appropriate equipment to keep any possible noise or dust to a minimum, but should you have any worries or concerns during this time, the contact details of the contractors will be on our school fence.

I know you will be as pleased as we are that we are at last in a position to make these repairs and hope that you will bear with us while they take place.

Yours faithfully

Mrs Jonquil King  
Executive Headteacher
