Framfield News

Friday 2nd March

Dear Parents and Carers,

First of all can we say huge congratulations to our chair of governors Mrs Katharine Rabson Stark for completing the Brighton half marathon on Sunday in 2 hours 2 minutes, a personal best. Many thanks to everyone who has contributed; we have already reached a total of £2260. This is fantastic but don't forget Katharine is also running in the Hastings half marathon on 18th April so any extra donations gratefully received by going to <https://www.justgiving.com/crowdfunding/katharine-rabson-stark>. Or alternatively see Katharine and directly pay by cash or cheque. The school governors would be delighted to have this contribution to the new roof payment.

Following recent training Mrs Neal and Mrs Duncan would like to inform you that all medication brought into school must have a pharmacist's label with child's name /dosage and must be in date. Please note we are not able to accept any medication that has not been authorised by a doctor, including travel sickness tablets. If you feel your child may have problems travelling on a school trip please ensure they have their medication before they arrive at school or consider your child wearing travel bands.
