## Framfield News

Friday 4<sup>th</sup> May

Dear Parents and Carers,

Despite the somewhat unseasonal weather over the last week we are already half way through our summer term 5 and our Spring Fair is fast approaching. Many thanks for your bottle contributions and raffle money. Don't forget to return your cups full of goodies as well. The PTFA have organised some amazing attractions including Maypole dancing, Morris Men, baby lambs as well as a reptile zone.

This term has already had several notable events including Peacocks reception children visiting Plumpton College for a visit which had been postponed from a snowy day last term and all the year 4 children had a bikeability training session, funded by the Health plan money.

Last week the successful tag rugby team played in the county round of matches and did extremely well by being placed third in the competition. Well done team. Photographs are on our website.

I hope you all heard about our brilliant skipping workshop day and this has already had an impact seeing an increase in the number of children now skipping and therefore exercising more at playtimes. Perhaps you can encourage your child with their skipping skills by teaching them some of your favourite skipping rhymes. Many of the children are enjoying the new challenges as well as playing in the big ropes. Have you heard of skipping with 2 ropes with a partner or pretzel skipping? Photographs are on our website.

## PTFA News

Please do come along to the fair as this is our main fundraiser as we are holding this event now as a special event rather than having a Summer fair. As I am sure you are aware the PTFA fundraises for many 'extras' eg coaches to visits as well as treats for the children such as an art workshop to enable them to be in the Uckfield Big Day Out parade. Many thanks for supporting Bags 2 School. This raised £240.

## Sports News

Fun Run 13th May at 10am. 1k, 5k or 10K we are looking for children & adults to raise sponsorship money for new bike store/changes to the pergola mindfulness area. Please let Emma Baggalley know if you want to take part on. Full details are <https://www.littlehorstedfunrun.co.uk/event-info/>

Have you signed up to take part in this fun event?

We have many sports clubs running this term including the fun morning breakfast sports club on Wednesday mornings. This is run by our sports coach Mark from 8-8.45 and there are spaces for children of all ages to join in. The cost is £3 a session and is an excellent and healthy way to start the day. Let the office know if your child would like to join this club.

Would any parents or carers like to consider helping run a stoolball club so we can have another fun event up on the rec with children from Blackboys school later in the term?

## Week ending 20<sup>th</sup>, 27<sup>th</sup> April and 4<sup>th</sup> May

### Peacocks:

Evie Furzer for fantastic home learning during the holidays.

Violet White for lovely handwriting in literacy.

Kyle Mendeguarin for fantastic skills and independence at Forest School.

### Kingfishers:

Isabella Lambrecht and Bella White for their excellent research and homework about the first moon landing.

Georgia Fenton for her fantastic writing about space.

Sam Baggalley for his greatly improved independence and handwriting.

Theo Cardno for his excellent writing about an exciting event in his life.

May Geer for her great writing and improved punctuation.

### Puffins:

Imogen Marchant for being a fantastic role model and always working hard.

Harry Tarrant for brilliant work in maths.

Otto Jeffery for consistently neat handwriting and presentation.

Ralph Naylor for excellent work in maths.

Billy Page for being focused and on task during lessons.

Sophia Awbery for reading with beautiful expression.

### Eagles:

Amelia Awbery for a good attitude to learning.

Amelia Iordachescu for always being ready to have a go, especially in sports.

Spencer Murphy for excellent effort in maths to learning, to 'always have a go'.

Thomas Baggalley for a good effort with challenging maths.

Oscar Rabson Stark for a great biography of Charles Darwin.

Carys Ware for her great attitude to learning, to 'always have a go'.

### Mathletics certificates

We are delighted that many more children are achieving Mathletics certificates this term, we will feature our silver and gold winners in our end of term newsletter.
