

## Framfield Church of England Primary School - Newsletter

Friday 5<sup>th</sup> October 2018

Dear Parents and Carers

### Curriculum

This week, the children in Kingfishers engaged in a cross-curricular lesson. They made some delicious bread rolls together which helped them to think the meaning of Harvest for Christians. Through writing invitations to parents for our Church celebration, they were developing their writing skills which is a key Federation focus this year.

### After School Clubs

We are really lucky that through our dedicated staff and other providers, we are able to offer a range of extra-curricular activities that enrich our children's experiences. I am very excited that Miss Barnes and Mrs Kent have started a new netball team and I understand they are in the process of buying some netball posts. Mrs Vernon can be seen practising moves from dance styles across the world including Bollywood! Supporting our Federation priority of raising standards in writing, Mrs Clarke's groups are creating a newspaper for which I was skilfully interviewed by two of its keen reporters Poppy and Trinity. Mrs Tsapparelli's nature group have been busy enhancing our outdoor environment by planting some new trees.

### Parent Consultations

Teachers are looking forward to parent consultations week. It will be an opportunity for a celebration of each child's successes and a discussion around their next steps in learning. We know that children are more successful when there is a shared dialogue about learning between teachers, children and parents. With this in mind, we would encourage parents to bring children to the consultations (FS, KS1 and KS2). If there is something sensitive that you would prefer not to talk about in front of your child, teachers will be very happy to make an appointment to see you on another occasion.

## Beat The Street

On Monday 8<sup>th</sup> October, the organisers of 'Beat The Street' will be coming in to present our school award in assembly. This will take place at 9.15 a.m. All parents who would like to attend will be made very welcome.

## Communications

I am very aware of how important it is that you have good and timely communications about forthcoming events. There are several ways that we will be sharing news and dates for your diary.

- A fortnightly newsletter which is currently sent as a hard copy in children's book bags and through parent mail
- Parent mail
- The school website calendar
- Mr Lyons is in the process of replacing the Perspex on the notice board by the school gate. Once this is done, the weekly events will be displayed there too.

I hope you have a wonderful weekend.

Mrs Pestell

Headteacher

## Future Events
