Courage

1st February 2019

Dear Parents,

This week is national story telling week. In recognition of this, we have been listening to stories as part of our collective worship. Reverend Chris told us a story of Paul's courage during a fierce storm, Miss Barnes shared Malala Yousafzai's story of her courage in fighting against discrimination, Mrs Kent shared the story of the Chinese zodiac and the New Year and how the animals all took part in a race to have a year named after them. Mrs Kent linked this to how we at Framfield are like the different animals - their courage, teamwork and perseverance.

FAB Fest 2019

As a school and as a federation, one of our key areas for school improvement is writing and we have had a number of initiatives within and outside of school to support our ambition for every child to make 'excellent visible progress' in writing. Next term, on Thursday 28th March we will be inviting parents and members of our community to join us at FAB Fest. This event will take place in the Memorial Hall. Every child will have at least one piece of writing and a piece of 2D or 3D visual art. Each class will take part in a performance piece. Our staff have already started working with pupils in preparation for the event and we have many exciting arts opportunities planned such as performance poetry, whole class books, story-telling and dance. More details will follow, but please put the date on your calendars.

A message for Eagles Class from Mrs West

If any families are off to London in half term they might like to visit The National Gallery in Trafalgar Square. Rousseau's Surprise (Tiger in a Tropical Storm), the painting we are basing our project on is in Room 41!

Parent Consultations, 12th, 13th February

At the last parent consultations, parents were encouraged to bring their children to the meetings. We had many positive comments from parents about this and we feel that it is a really good opportunity for children to be involved in the dialogue about their learning; what is going well and their next steps. Please note that there will **no teacher led clubs** during the week of parent consultations.

The Golden Table

Last week, we launched our 'Golden Table' award. Golden tickets were given for children demonstrating positive behaviour in the lunch hall. I was most pleased to see how helpful our older pupils are towards younger children on their dinner table. Some tables are really successful at remembering to talk to the other children on their tables in quiet 'lunch hall' voices.

Wishing you all a lovely weekend, whatever the weather!
