### Framfield Church of England Primary School Newsletter

4th October 2019

Dear Parents and Carers

As you know, I am a very firm advocate of pupils taking a significant role in the leadership of their own school. I believe it has many positive impacts such building a stronger community, driving school improvement, supporting pupil engagement in their own learning and demonstrating to children important British values such as democracy and respect. This week our lunchtime supervisors have already made a noticeable impact upon the smooth running of our lunch hall.

#### Lion's Roar Competition 2019

This week, saw the launching of the Lions Roar competition 2019 in Eagles Class. The two representatives, one from the Uckfield Lions Club and another from the charity '7 Billion Ideas,' showed the class an inspirational PowerPoint about what the competition was about, what kind of ideas had already won and what kind of ideas we could submit. The purpose of the competition is to inspire young people to help others and change the world by coming up with ideas in groups. The groups will need to have one or two posters about their ideas, an explanatory PowerPoint telling people what it would do and a jingle explaining the idea to make others buy or use it.

The last two years Framfield has come second place, this year we are hoping for first! Over the next couple of weeks, Eagles Class will be designing their ideas in groups and eventually the representatives will come back and judge them along with our lovely Head Teacher (Mrs Pestell) to see who is going to go to the final and represent the school.

*Written by Felix Rabson-Stark- Pupil Newsletter Representative*

"I really enjoyed Lions Roar, because it was fun creating our own inventions and competing against those from other schools."

*Oscar Rabson Stark, former Framfield student and second place holder in Lions Roar, 2017.*

#### Nativity Dates

Please make a note in your diary for this year's nativity. There will be a performance on Thursday 12<sup>th</sup> and Friday 13<sup>th</sup> December at 9.30am. The children will have a dress rehearsal on 10<sup>th</sup> December.

## Cross Country Tournament

As most of you know, on the 2<sup>nd</sup> October 16 pupils from our school participated in the Cross Country tournament held at Rocks Park. We were all exhausted, but we all completed the course and we were all very proud of our school for taking part. Well done to Elena who came 9<sup>th</sup> and has gone through to the next round!

## School Games Mark - Gold Award!

Congratulations to Framfield who have received the Gold Award for the third year running in the School Games Mark. The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress.
