Framfield Church of England Primary School Newsletter

20th March 2020

Dear Parents

Looking Ahead

There is no doubt these have been tricky days for everyone, not least, our children. Everyone in our school community has pulled together and we have been very grateful for the support we have had from parents.

Estelle's Mum brought in this lovely wooden tree. Today, every child and adult in the school has added their name to a leaf and placed it on the tree. This will symbolise our school community and will remain on display in the lobby all the while the children are at home and when they return.

'Sun' Books

Thank you to Mr Brocklebank who encouraged us to participate in the 'Sun' book tokens event. A beautiful box full of books arrived at the school to add to our book stock. Thank you to everyone that participated.

Staff Change for September 2020

In September, Miss Barnes is relocating to London to join her partner and begin the next phase of her successful teaching career. Miss Barnes began teaching with us and we are proud of her achievements; she is a much-loved member of the Framfield Community and a respected member of the Federation Team. She will be greatly missed. However, we know that you will wish her every success in this exciting new stage in her life.

Miss Barnes has secured a new position in a London school for September and she will remain in Puffins Class until the end of the school year. Please be assured that recruitment for a new teacher is already underway and we look forward to sharing with you the name of our new teacher as soon as the process is complete.

We appreciate that this is not the best time to be sharing this news but the job advert will be public today and we did not want families to find out accidentally.

I know we will all be thinking of each other during the coming days and weeks. If you need support from the school, please do not hesitate to ask. If you see someone else struggling please encourage them to come forward.

Kind Regards

Mrs Pestell
Headteacher
