## Framfield Church of England Primary School Newsletter

25<sup>h</sup> September 2020

Dear Parents

It has been another very productive week here at Framfield; the classes have a buzz of positive activity and learning. Gradually, we are re-introducing activities that enhance our children's experiences whilst taking precautions to ensure the safety of our community. This week, we were pleased to welcome back Red Butler music. They are delivering guitar and ukulele lessons to pupils in class groups. Individual violin lessons will resume soon and recorder lessons for Puffins Class will take place in the hall.

### Relationships and Kindness

This week, we have all been reflecting on relationships and kindness. Our collective worship (assemblies) have focused on how kindness can make our world more colourful, how important it is to include others in our games, and how to manage when things don't go right. Every Class has had a '100 acts of kindness' poster which they have been colouring when small acts of kindness are seen in the classroom or playground.

### Mathletics

All of our children have their own Mathletics login which allows our children access to home learning set by our class teachers. The maths is selected to build upon what the children are learning in class, and is a really good way for them to consolidate their understanding. Today, the children watched a short trailer for a new feature which allows pupils to play in a 'virtual world' once they have completed enough work, successfully, on the site. You will find a flyer giving more information about this attached to the Parentmail. Mathletics certificates are presented in our Friday celebration assembly; we have set the children the challenge to earn more Mathletics certificates next week.

(Peacocks have their new Mathletics login information stuck to the inside front cover of their homework books)

## Allergy Awareness

It is a vital part of keeping our children safe, that we protect our children who have allergies. Please find attached to this Parentmail, the School's Allergy Awareness Policy. I would be grateful if you could find time to read it. If your child has allergies that you think we may not be aware of, please let the school know via our First Aid lead, Mrs Duncan.

I would like to wish you all a lovely weekend.

With kind regards

Mrs Pestell  
Headteacher

Tm 1/Week 5		
Monday	28.09	Active Primary Sports Club, 3-4pm
Tuesday	29.09	Violin Lessons
Wednesday	30.09
