## Framfield Church of England Primary School Newsletter

2<sup>nd</sup> October 2020

Dear Parents and Carers

As you are very well aware, life is very different at the moment and consequently things have had to be done a little differently at school. Already, the children have full access to the curriculum and most of the normal routines and activities have resumed. Please find below, some information about some future events and how they will be organised:

### Parent Consultations

This year, parents will have the opportunity to find out about how their children are getting on at school, both socially, emotionally and academically, via a telephone consultation. To inform your discussions, a hard copy of a summary report card will come home first. These appointments will be in the last week of the term at the following times:

Day	Peacocks	Kingfishers	Puffins	Eagles
Mon 19.10.20				
Tues 20.10.20	3.30pm to 5.00 pm	3.30pm to 5.00pm	3.30pm to 5.00 pm	1.00pm to 3.00pm 3.30pm to 5.00 pm
Wed 21.10.20		1.00pm to 3.00pm		
Thurs 22.10.20	6.00pm to 7.30pm	6.00pm to 7.30pm	1.00pm to 3.00pm 6.00pm to 7.30pm	
Fri 23.10.20				6.00pm to 7.30pm

**Please do not ring the office now**, a link will be sent to you soon which will allow you to book your slot and tell us your preferred contact number for the phone call.

### Harvest Festival

This year, in place of our usual service in the Church, we will be compiling a video of our harvest celebration made up of contributions from our vicar Rev Chris and each of the classes. This video will then be watched by the whole school simultaneously and later, shared with parents. **We know that there are some families who may not want their child included and we will be using your consent forms to guide us. However, if you do not want your child included and you think we may not be aware of this. Please email the school office.**

## INSET Day

On Monday 5<sup>th</sup> October, we have an INSET day, a chance for staff to engage in essential training. The *school will be closed to all pupils.*

## Relationships

As you know, building and maintaining good relationships continues to be a real focus for us, as children resume their friendships after an extended period apart. Today, children watched the following video, which you might want to view yourself or share again with your child / children.

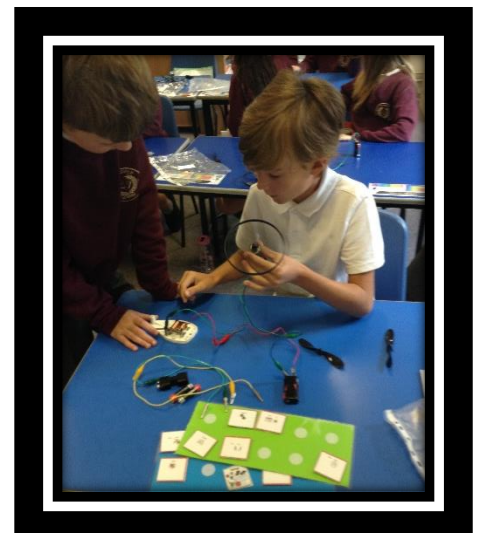

Click the image

As the children leave school today, I will be distributing posters, which remind children to use kind words. Please display somewhere where your child / children can see it and refer to it regularly. We know that when parents are giving children the same message as school, the impact is even greater.

## Science

We are extremely fortunate that our Science lead, Mrs Tsapparelli, is able to deliver engaging and challenging science lessons to Kingfishers, Puffins and Eagles this year. Eagles Class have been re-visiting and extending their understanding of electricity through building circuits.

## Peacocks Class

We are thrilled with how Peacocks Class have settled in at Framfield. With the help of our fabulous reception team, they are already becoming very independent and are demonstrating the Framfield 5Rs in the way they learn, play and interact with others.

## A New Member of the Staff Team

We are very pleased this week, to welcome Mrs Gowing to our staff team as a mid- day supervisor.

Wishing you all a lovely weekend.

With Kind Regards

Lisa Pestell  
Headteacher
