## Framfield Church of England Primary School Newsletter

16<sup>th</sup> October 2020

Dear Parents and Carers

### New to Reception 2021

Like many things this year, our prospective parent visits have to run a little differently this year. They will all take place after school, in very small groups. Because the parents are not able to see the school in action and meet our children, this year some pupils from each class represented us in a video. They all spoke with passion and confidence about the strengths of our school. This was a great learning opportunity for the children and was extremely well received by our visitors.

### House Captains

We have delayed the election of House captains this year, while we considered how to adapt the roles to meet the needs of the new school arrangements. Mrs Kent and Miss Norvell have found some exciting ways forward. In the spirit of the times, the pupils applying have each made their own 'election videos'; we will let you know the results very soon.

### PTFA News

### EcoKids Clothing Charity

Thank you to our PTFA who helped organise the EcoKids clothing recycling project. A huge quantity of clothing was collected (915kg) which raised £503.25 for Framfield Primary School.

It is very difficult within the current social distancing guidance to find ways to continue to raise money, but, once again, our PTFA have been resourceful and creative.

The money raised will go towards books for our new school library which is also being used to create a wonderful new learning space.

## Globes and Books

The school were thrilled this week to receive globes for each class, a gift from the Horticultural Society and the PTFA. They will really support us in delivering the recently revised school Geography curriculum in which the theme of 'location' is a recurring one. We think it is really important that our children have a sense of where things are in the world, beginning with their home and extending to their town or village, the country and continent. We also received some beautiful information texts (History, Geography and Science) which will enrich our children's learning.

## Celebration Assembly

Each Friday, we have a celebration assembly, in which we celebrate particular success of week. We thought you might like to celebrate with our children and you can find below, the names of the 'Stars of the Week' for each year group, those at the top of the leader board for Spelling Shed and those receiving silver and gold Mathematics Certificates. This will now be a regular feature of the newsletter.

### STARS OF THE WEEK!

Peacocks -Isla

Kingfishers - Tom and Luca

Puffins - Seth and Violet

Eagles - Ryder and Ella

#### Mathletics

Gold

1. Estelle

Silver

1. Edwin    2. Alexa    3. Estelle

#### Spelling Shed

1<sup>st</sup> Place - Jasmine

2<sup>nd</sup> Place - Lorraine

3<sup>rd</sup> Place - Harry. T

Wishing you all a lovely weekend.

With Kind Regards

Lisa Pestell  
Headteacher
