### Framfield Church of England Primary School Newsletter

14th January 2021

Dear Parents and Carers,

Once again, our school is closed for most of our children and home learning has resumed. Despite all, there are things to be positive about. I am extremely impressed with how engaged pupils are with home learning. The children in KS2 are really enjoying the chance to be more independent in the way they work through Google Classrooms. Teachers are working extremely hard to plan lessons, and they are using a range of different resources and media to help children keep motivated. Once again, parents have committed to supporting their children's progress, whilst juggling everything else in their lives, for which we are very grateful.

However, each day can look very similar to the next and we are all missing the chance to meet family and friends and go to different places, so I am taking this opportunity to share some forthcoming events that might lift our children's spirits.

#### Virtual Pet Show

One thing I have learned about our children and families since joining Framfield is that they are mad about pets! I have decided to hold a fun virtual pet show on **Saturday 6th February**. More information will follow on how to take part, what categories there will be etc. I hope it will be a really fun event that will draw us together and bring a little joy to our weekend.

#### Royal Academy of Arts Summer Exhibition

Each year, the RA of Arts holds a wonderful summer exhibition. The exhibition is open for members of the Royal Academy but also to members of the public. Thousands of paintings and sculptures are sent in by amateurs and professionals alike and some are selected for exhibition. The result, is an amazing, eclectic mix of pieces that never fails to excite.

The RA is now opens to young artists via their 'Young Artists Summer Show' which is a virtual exhibition. The school has registered with the RA which means that any of our children can enter up to 3 pieces of work for possible selection. I know that we have some amazing artists in our midst, so I would welcome any entries and we will submit them on your behalf. Use this link to find out more:

Show**

## How does it work?

The Young Artists' Summer Show is a free, open submission exhibition for young artists aged 5 - 19 years studying in the UK and British schools overseas.

To take part, teachers must first register their school. Next, students, their parents/guardians or their teachers can submit artworks. These artworks are then judged by a panel of artists and arts professionals with selected artworks displayed online and on-site at the Royal Academy of Arts.

## PTFA News

Last week we finally received our new storage cage for the fabulous large construction toys kindly bought by the PTFA. Now we know how much equipment will go in the cage, they are going to purchase even more for the children to play with. We look forward to seeing it used when our children return to school.
