

Framfield CE Primary School

Key Themes of the Geography Curriculum

Human and physical geography– e.g. plate tectonics, river formation, population.

Location knowledge e.g. Where is it in the world, the country, the region? Capitals, continents.

Geographical skills and fieldwork e.g. map reading, measuring rainfall, river flow, sketch maps, grid references.

Place knowledge e.g. The character of a place, a region, a country and why it's geography is the way it is.
