

# Second Hand Uniform

- help families get school uniform at a bargain price!
- provide a way for parents to pass on items they can no longer use and keep waste out of landfills!
- raise money for the school!

These are just three of the reasons that I am setting up a second hand uniform “shop”.

If you have uniform that your child has grown out of please consider donating it to the Second Hand Uniform Shop where we will sell it to other families in the school to raise funds for the PTFA.

Please drop off donations in the box at the school entrance and look out for how to buy items in the next message!
