

Framfield CEP Reading and Phonics

Reading Scheme

The school uses the 'Phonics Books' reading scheme which is written and published by 'Sounds Write'

The screenshot shows the Phonics Books website. At the top left is the logo 'PhonicBooks' with the tagline 'For beginner and catch-up readers'. To the right are two buttons: 'Request a FREE Catalogue' (with a small book icon) and 'Subscribe to our Newsletter' (with an envelope icon). Below the logo is the text 'For children from ages 2 to 14+'. The main navigation bar includes links for Home, Shop, Advice & Resources, About Us, News, Contact Us, and International, followed by a search bar and a 'Search' button. The main content area features a large illustration of a rabbit and a mouse. Text on the page includes 'Ages 2 to 5', 'Tell a story', 'Confident Communication Books for Nursery and Reception...', and '6 wordless books that help develop language, comprehension and vocabulary. Ideal for children who need support in their oral pre-reading skills.' A 'Shop Online' button is also present. A yellow callout box at the bottom states: 'In line with Government guidelines, our books have been validated for use with the Sounds-Write® programme and are awaiting further validation alongside other programmes. Read more about how to use our books with any Phonics programme.'

Phonics Scheme

The school currently use the original 'Letters and Sounds' phonics programme alongside phonics play resources. Later in the year, the school will adopt the 'sounds write' phonics programme which will link with our existing reading scheme.
