

Perseverance, Thankfulness, Fellowship, Respect, Courage, Wisdom

Our Value for the term is Understanding

Framfield Church of England Primary School Newsletter

19.05.2023

Dear Parents and Carers,

We are in a very busy time for Primary Schools in general at the moment, and at Framfield we really enjoy being busy. Last week our Year 6s completed their Key Stage 2 National Tests, or SATS, all following the school motto of 'Be the best you can be; Living life in all its fullness'. You can see a joyful picture of them all having a well deserved celebratory drink and cookie below!

Our Year 2 pupils are calmly working towards their Key Stage 1 SATS too. The little tests they do help Miss Black and Mrs Ford make Teacher Assessments on the children's attainment to date.

Outcomes for all assessments taking place will be available, together with annual school reports, on Monday 17th July.

But we like to talk about 'Living life in all its fullness (John 10:10), so it has been great to hear the school buzz with laughter, sport, friendship and last week a cacophony of animal noises as Puffins enjoyed their 'Bring your pet to school' afternoon! (see picture below)

Mention must also be made of the excellent reports we are getting about year 4 and their swimming lessons at Maynards Green School. The swimming teacher is very happy about the progress the children are making, and was enthusiastic about how enjoyable the group is to teach. Well done year 4. And thank you to Mrs Neal who accompanies the swimmers.

Next week is the final week of term 5. Highlights include our year 6 French Trip; a day exploring the historic old town of Boulogne-Sur-Mer. Final details have been sent out today regarding pocket money and confirmation of times. As was the case with the London Trip, children are welcome to bring a camera and a personal music player. However, should that be incorporated in a mobile phone, we request that airplane mode is enabled and parents may wish to discuss post-Brexit data roaming charges with their child!

There is further excitement at the end of the week when we have Team Rubicon in on Friday providing a scooter and skateboarding workshop. After the success from last year we know the children are all really looking forward to it. Please can we ask that your child has their pe kit in school with trainers so they are able to take part. All equipment is provided including helmets for the children.

Also on Friday, our new Headteacher, Mr Bradbeer, will be visiting us for the day. We know everyone will make him feel very welcome. He is certainly excited about meeting everyone and will join Mr Sullivan on gate duty at the beginning and end of the day.

We had 5 girl footballers attending the recent Let Girls Play event at Uckfield College. Incorporating skills practise as well as matches, the girls performed well at the festival, thoroughly enjoying the opportunity. Lets Girls Play is a national movement to boost the number of female players in our country and to help everyone be inspired by the Lionesses Euros win back last summer.

Thank you to Uckfield College for laying on the event.

Both Framfield and Blackboys Schools attended a rounders tournament at Uckfield College on Tuesday afternoon. It was perfect weather conditions, with players adjusting nicely to the larger sized rounders pitches and using their striking and fielding skills to good effect. Thank you to Miss Keenan for leading the team and for helping them practice at school.

For the first time ever, we entered a Federation Girls Under 8 team into the annual Soccer Sixes tournament organised by Uckfield Grasshoppers. On a hot Saturday morning, the team did remarkably well, winning 1, drawing 2 and losing 1 of their matches. The girls played brilliantly, impressing a large crowd with their determination and skills.

All the girls received a medal for their efforts and hopefully we have inspired some keen footballers for the future. Their attitude was spot on throughout.

In order to help school development planning for academic year 2023/24, we would be grateful if parents could spare a few minutes to fill out an online questionnaire. If you have a number of children at the school, you may wish to complete a separate form for each child, unless their experiences and views are similar.

<https://docs.google.com/forms/d/e/1FAIpQLScmf33uhePhVy1HKEyMpVZKPkZJ+VvcWI6cYemXON1JG50jUg/viewform>

We will close the questionnaire at the end of May half term.

Thank you to Freeman Forman Sales and Letting Agents who ran a colouring competition for Kingfishers class. Their fantastic work was displayed in their window for everyone to see. Congratulations to Nata for scooping the first prize.

Please could we ask for any for clear glass jam jars (just the normal jam jar size) importantly with a lid. We need them for an Eco stall at the Summer fair which is the 24 June 2023. If they can be dropped off at school in the clear boxes under the bench by the gate.

PTFA News

* TUESDAY 20th JUNE. Please bring your bag (or bags!) BY 9 AM and help us raise lots of much needed money for FRAMFIELD SCHOOL.

*Friday 9th June - non school uniform day in exchange for a bottle for the spring fair

* Saturday 24th June—Summer Fair

*Friday 7th July - School disco after school. More details to follow.
