Dear Kingfishers,

Choose at least two tasks to complete using your best efforts. We would love you to complete one task per term.
If you have something else you would like to try then go ahead! We look forward to seeing your creations!

<p><u>Secondary colour art</u></p> <p>Mix some of your own secondary colours using red, blue and yellow to create a picture. This could be with paint, crayons, pencils, tissue paper, food or other materials.</p>	<p><u>Make a lighthouse</u></p> <p>Design and create your very own lighthouse. This could be a drawing, painting, collage or model.</p>	<p><u>Map out the sights</u></p> <p>With a map of the world, draw some of the things that can be seen in different capital cities.</p>	<p><u>Write a quiz</u></p> <p>Choose another famous person from the Victorian Era to research 5 facts about. Turn these into questions to quiz the class.</p>
<p><u>Create or learn a sea shanty (term 1) or Christmas song (term 2)</u></p> <p>Learn an existing song or create your own to perform to the rest of the class (or to a small group if you'd prefer!)</p>	<p><u>Write a poem or story</u></p> <p>Can you set your writing somewhere in or on the sea?</p>	<p><u>Create your own Base 10 using food</u></p> <p>Can you use your new base 10 to answer some maths questions and take photos to show us!</p>	<p><u>Research Queen Victoria</u></p> <p>Queen Victoria ruled from 1837-1901 and is the reason we have a Victorian Era. Can you find out 5 more interesting facts about her to share with the class?</p>
<p><u>Create a balanced meal</u></p> <p>Take charge of lunch or dinner for the day and make your family a lovely balanced meal.</p>	<p><u>Create your own world</u></p> <p>If you had the ability to create a world, what would you have in it? What order would things need to be made in? What would it look like? Draw or write about it to show us.</p>	<p><u>Create a map</u></p> <p>Make your own city map with some different human and physical features. Can you make some clues using directional language to guide us to the features?</p>	<p><u>Create your own photo portfolio</u></p> <p>Take a series of photos, perhaps on the beach, have a go at editing them on a phone or iPad and then print them off to create your own portfolio to show us.</p>
