Our Value for the term is **Understanding**

## Framfield Church of England Primary School Newsletter

19.07.2024

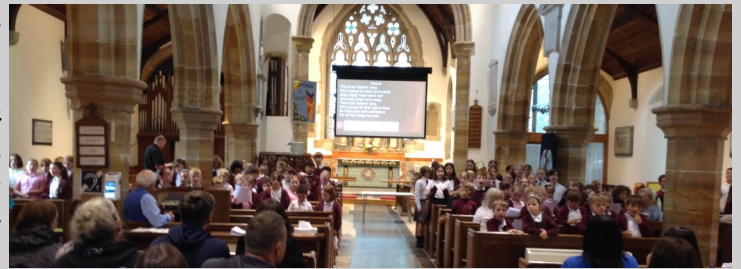

Dear Parents/ Carers,

What a fantastic year we have had at Framfield— fabulous assemblies, nativity performances and the KS2 play amongst many other events. I am so proud of what we have achieved and what I have been lucky enough to be part of this year. I would like to take this opportunity to thank the amazing staff we have at Framfield and I know that they will carry on providing the fabulous learning and support for our pupils.

Huge thank also to the amazing team of volunteers who support trips, learning and help with 'kiss and drop'- you certainly help enrich the school experience for our children.

It would be remiss of me to forget the tireless work of the PTFA: you add to the community spirit whilst earning crucial funds that supports a variety of learning opportunities.; without you, the children would miss out on so much enrichment

We enjoyed a fabulous 'Leaver's Service' on Tuesday. The singing was the best that we have heard this year; thank you to Miss Black for all her hard work and for organising the children in a very busy term. Well done to the pupils that received awards.

The Year 6 Leavers enjoyed fabulous 'Nerf Wars' on the recreation ground on Wednesday evening; all of the children were on great form and enjoyed the event hosted by Wayne (our 'CPD Sports Coach'). We want to wish our Year 6 pupils the best of luck with their next chapters.

At the second time of asking, the children showcased their sporting skills on the recreation ground for Sports Day 2024. Thank you to all who supported the event; huge thanks to Mrs Kent, Miss Keenan and their sporting volunteers for ensuring the day was successful.

### 'Kiss and Drop' update

From the start of Term 1, we will commence Kiss and Drop at 08:35 to keep a ten minute window for dropping off children arriving by car. The area outside the gate will be staffed from this time, before the gate opens at 08:40. Thank you for those who raised their concerns about the previous arrangements. Please ensure that everyone remembers the new start times; those arriving at after 08:45 will be marked as late.

### Staffing change

We wish Miss Sargent well as she has secured a TA role at Grove Park School in Crowborough. The school is a specialist provision for those with additional needs and we wish Miss Sargent well in her new role. Miss Sargent will be missed by all for her energy and passion.

Miss Keenan will be leaving her role at the end of this term (as a 1:1 support TA) as the child that she supports is leaving the school to attend specialist provision. We want to thank her for her amazing work ethic, supporting many sports events (especially stoolball) and for everything that she has done to support those in Peacocks Class.

MDSA roles- Mrs Tungate is settling in nicely and we are just waiting on the final administration processes before we can announce our second appointment.

We are very happy to appoint Miss Louise Saunders to be the TA to support Mrs Cranston and Mrs Pepper in September. She knows a lot of the children from her work in the pre-school and is a qualified teacher!

### PTFA—Thank you

Thank you to Utilligence <https://utilligence.co/> for their very kind donation towards supporting science. Puffins class loved using the data loggers and the probes to measure the temperature change whilst carrying out an investigation focusing on melting. The probes can also measure lux (light levels) and DB (decibels-volume) so will certainly come in handy over the next few years.

### Lost Property

There is a large pile of jumpers/fleeces and cardigans on the bench (by the side gate) as you arrive to pick up your children. Please have a look and see if any items belong to your child.

### Bikeability

Well done to our Year 6 pupils for passing their bikeability course. The course has helped the children learn practical skills and develop their understanding of how to cycle on today's roads. We hope bikeability gives our Year 6 pupils the confidence to cycle and enjoy this skill for life.

### Framfield & Blackboys Summer Show Reminder

Please come and support the event on 17th August if you can; lots of our children's work will be on display and there are competitions also.

Thank you to everyone for their understanding and kind words at the news of my departure. I have enjoyed lots of moments throughout the year and it will not be easy saying goodbye. I wish the school and those leaving a restful summer and all the best for the future. I have already begun handover with Mrs Claire Roberts to ensure a smooth transition: she will be on the gate this afternoon so please make her feel welcome.

We wish all those leaving the school all the best for the future and we are sure that they will look back on their time at Framfield fondly.

## Celebrating Success

Well done to Chestnut house who won the house point total this year!

### STARS OF THE WEEK!

12/07

Peacocks - Charlotte

Kingfishers - William and Isabel

Puffins - Maya and Jacob

Eagles - Harry. P and Emily

19/07

Peacocks - William

Kingfishers—David and Isabel

Puffins - Emily and Amy T

Eagles - Sofia and Mollie

#### PUFFINS
