5th September 2024

Dear Parents/Carers

Extra Curricular Activities – Terms 1 and 2 2024

We are very pleased that we are able to offer our pupils a broad range of extra curricular activities delivered by our class teachers and outside providers. These clubs allow our children the chance to develop their skills across many areas and in many cases, find things that they enjoy and excel at. Please see the timetable below and use the google form to sign your child/children up to their chosen club/s. The same clubs will run in Term 2 (apart from singing club) so there is just one sign up google form,

[Google Form Sign Up](#) - **Please make sure that the google form is completed before 10am on Friday 6th September.**

Please note that these clubs are not run as 'child care' arrangements but opportunities for enrichment. We endeavour to make sure that they run each week but very occasionally, we need to cancel teacher led clubs because of staff illness or because of important staff training events. **On these rare occasions, the school is not able to offer child care for those pupils affected. Please make sure that you make alternative arrangements for your child to be collected at the end of the school day.**

Please note the following:

- Places will be allocated on a first come first served basis, we will notify you on what club/s your child has been allocated on Friday 6th September in the afternoon.
- Different clubs are open to different year groups so please be aware of this when completing the return form.
- For tennis club and Kids with Bricks, please contact the external providers directly via the email addresses listed.
- For Federation Football please wear shin pads and appropriate clothing. No Shin pads=No play! Pupils will need to bring both football boots and trainers to each session as the field and all weather pitch will be used.

Yours Sincerely

Mrs Roberts

Interim Headteacher

Kids with Bricks Club

Kids with Bricks is a fantastic creative after school "Lego" club is looking to start at [Framfield CEP School](#) from **September 2024 onwards**

As well as completing a range of exciting educational challenges, students will have the chance to work both individually and to work in teams.

As an added bit of fun, students from the club will also take part in a weekly **inter-school competition** where parents can vote for their favourites and points are won for the national leaderboard.

Previous topics have included focus on Under the Sea which has had quick builds on puffer fish, and will explore everything from Submarines, Turtles and even the Great white Shark. Over Summer term 2024 Kids with bricks Schools have turned their focus to "**Castaway Catastrophe**" looking at all the amazing aspects of desert islands with parrots, Tree houses, Monkeys and even Pirates. Please take a look at our fab social media pages to discover more.
