

Dear Eagles Class families,

Term 1 and 2 Homework

Below is an overview of the homework Eagles Class will be set for term 1 and 2. This applies to the majority of children, although some children will have individualised aspects to the homework which I will speak with you separately about once some initial assessments have been done. We are using CGP books for maths and grammar/spelling.

All homework will be due on a Monday. The homework will be marked in school and brought home again. We will learn spellings in class and some of their grammar homework pages will be focused on spelling patterns: we will not be sending spellings home to learn. If you would like more information on the spelling patterns we will be learning, please see the class newsletter.

Completed homework will be rewarded and celebrated in class to help the children begin to build habits of completing homework as they move up through Key Stage Two in readiness for secondary school. Homework that is not completed will be done during unstructured time in school.

Grammar and Maths homework is set **fortnightly** and the page numbers for their CGP Grammar books are below for the next two terms. I have aimed to tie the homework in with the content we are learning in school. However, sometimes a unit takes longer (or sometimes shorter!) than anticipated so it may become out of sync. I will endeavour to let you know if this happens and adjust the page numbers accordingly. If your child particularly struggles with an aspect of homework, please let me know and we will aim to find time to go through that particular aspect with them.

	Year 5 Grammar Page numbers	Year 6 Grammar numbers
Term 1		
Due in: 6 th October	Pages 6, 7, 31 and 76	Pages 36, 37, 74 and 75
