Term 5 Newsletter
Eagles Class

Dear Parents,

We hope you have had a lovely Easter break! This term, our topic is all about the coast, and the children will be exploring how humans have an impact on the environment, as well as investigating important local, coastal issues such as erosion and deposition. We will be developing our written work, alongside editing and refining our grammar skills. There will also be a clear focus on grammar gaps on a weekly basis. We will be using our persuasion techniques and speech writing, looking at important issues affecting the planet.

Reading	Please read with your child as regularly as possible at home. There may be additional reading comprehension tasks to complete this term.
Maths	**Pupils are now encouraged to complete any outstanding pages in their CGP books. For year 6s, this will be very helpful prior to week 5 when they will sit their maths SATs papers.**
Times Tables	Children will learn their tables and practise these in school. Each child has a Times Table Rockstars login and should be practising their tables (either on this website or in another way) at home.
Grammar	**Pupils are now encouraged to complete any outstanding pages in their CGP books. For year 6s, this will be very helpful prior to week 5 when they will sit their SPaG SATs papers.**

Helping to enrich our topics
It is always great to have items or visitors that support our topic, so if anyone has any experience or items that may help us with any of the work above that we could hear about or borrow, we would love to see and hear about them.

A reminder that it is SATs for Year 6 pupils the week commencing 11th May. We will send out further information shortly.

Reminders – Please can you make sure your child brings in a water bottle each day with fresh water; ensure all jumpers are labelled and bring a coat.

Many thanks for your continued support,

Ms Lancaster

Term 5 – Learning Map
